From the desk of Sr. Linda.....

Happy Mother's Day! May God's blessings abound for each of you...know you are in our prayers.

We were notified this week that due to the cost of printing and mailing of **Give Us This Day**, we will no longer be receiving free copies that they have so generously given over the years. We are grateful to Liturgical Press for their generosity.

Many of you use this publication. We have asked for the price of bulk mailing to one address. We will let you know what that is when we find out. We would be willing to have the order come here for those who wish to purchase copies from us. Take some time to consider what you would like to do. The last free copies will be the July issue.

This week Father Nathan informed us that his prayer partner, Laura Durham, who spoke at the presentation about her book has become seriously ill. Her cancer recurred and had to have emergency surgery. Please keep her in your prayers as they were not able to remove all of the cancer at this time.

Thank you for your prayers, notes, and cards for my birthday. I am truly grateful for the gift you are in my life.

Blessings,
Sister Linda, OSB Prioress
